~Thank you~

Springtime, Inc. for the donation of \$250 of Joint Health for the horses. Springtime makes great products that help the horses so much. We are grateful for their ongoing support of HPAF and for the many great products that make horses' lives better.

Toad Juice, maker of Toad Juice, Toad Jelly, Toad Stick and Toad Mist, for their ongoing support for the horses. We are so grateful to receive these fantastic products that help the horses deal with bugs, fungus and allergies.

Saturn Automobile Company for the donation of 14 bags of Progressive Senior for the horses. Saturn did a Random Acts of Kindness program that they did not advertise. They simply gave and helped all over the country. Thank you Saturn, you are a tribute to American values.

Hannah Poremba for the donation of an Ansur Treeless Dressage Saddle. Hannah is a long time supporter of the horses and we appreciate her very much.

Jennifer Elliott for the donation of ten brand new horse blankets.

Thank You Tim and Ellen Bachmeyer for the donation of a two horse trailer full of horse equipment and tack. Tim and Ellen are great friends to all animals. Over the years, they have helped so many animals of all types and their love and giving is without measure.

Special Thanks to Dr. Tom Lane, DVM, for his tremendous contributions of his time, talent and services for the horses. Dr. Lane has been a great friend to HPAF and the horses and we are very grateful to him for all his help over the years.

A Special Thank You to Kristin Nast for updating the HPAF web site. For five months no one could access our site to make changes or do updates. Kristin, who is our long time HPAF staff member Lisa Manderly's daughter, is a realtor with Foxfire Realty. Thank You for your priceless help Kristin!

Thank you Julie Bannister for coming out to the farm and playing the Parelli Seven Games with the young horses.

HPAF is currently participating in the S.H.O.W. Program through Southern States Feed. For every Proof of Purchase collected, HPAF will receive a credit. If you are currently using Southern States Reliance, Legends or Triple Crown horse feed, please save the Proof of Purchase located on the back of the bag. Any group or organization that would like to help HPAF accrue in this program would also be appreciated. Please mail your collected proofs of purchase to HPAF at 20690 NW 130th Avenue, Micanopy, FL 32667.

Thank You Vincent Collura for taking in Patriot to rehabilitate him and help him find a permanent home.

Gary & Sharon with Jake

Thank You to Sharon and Gary Byrne for adopting Jake. Jake was seized in the same cruelty case as Daisy Mae on June 14, 2007 along with four other dogs. The dogs were held at the Levy County Animal Shelter until they were surrendered two months later. Jake came to HPAF a scared, fearful dog; having lived in a cage all of his life. He covered when approached, most likely fear from past abuse. After having no puppy-hood, Jake was ecstatic to have Bud, our faithful farm

dog, to run, play and wrestle with for hours on end. Jake had lots of baggage from his formative years of abuse and neglect and did not do well with the many visitors to the farm. Luckily, Sharon came to work at HPAF and Jake found his new family. Jake now goes for truck rides with Sharon, his head hanging out the window with the wind in his face. He plays ball with Gary every evening until he is exhausted and goes to sleep in his doggie bed or on the living room sofa.

Special Thanks to Kathi Volling and April Dahl

Kathi was office manager at HPAF for four years. She kept the office running smoothly, doing the books, preparing grants, putting together the training manuals and presentations and so much more. Kathi maintained the HPAF website, created the newsletter, volunteered at open houses, festivals and shows and did the laborious task of the newsletter mailings. Kathi gave so much of herself for the horses over the years and her hard work was and is greatly appreciated. Kathi has moved on to a full time job with benefits; something HPAF cannot afford to provide for loyal employees. Thank you Kathi for all of your hard work and caring.

April began volunteering for HPAF in 2001 while attending the University of Florida. She volunteered for years before becoming a member of the staff. April did all aspects of horse care from feeding and cleaning at the farm to volunteering at events. Her riding and horsemanship continued to improve over the years from a backyard horse owner to a professional level rider. April assisted with training the young horses at the farm from ground work to under saddle. Three years ago she began taking courses with the Institute for Applied Equine Podiatry which now holds its Florida classes at HPAF. In fact, April is responsible for introducing us to KC and Robyn LaPierre and all the wonderful assistance they provide for the horses. Last year April became a certified Equine Podiatrist and has been providing the hoof care for all of the horses at HPAF. After seven years with HPAF, April has moved on to her own business as an Equine Podiatrist. The level of hoof care she provides for the horses makes such a difference in the quality of the horses hooves and consequently their lives. Thank You April for all you have done for the horses over the years.

The Horses Thank You!

Attention HPAF Members and Friends!

Please let us know if you would rather receive your quarterly newsletter via email rather than hard copy. Additionally, if you would like to be on our email list for announcements and activities, please let us know: hpaf@bellsouth.net

The HPAFF farm tractor is in need of a new clutch which will cost \$1,500. Now that the rains have started and diesel prices are so high, a wider mower on the tractor would save fuel and time. A 10 foot mower is \$6,300 and a 15 foot mower is \$10,000. Of course \$6,300 would buy a lot of diesel fuel too!

Mariscal - 4 months progress

Thank You to Jill Beatty, John McConnell, Sgt. Bryant, Deputy Browning, Deputy Clifton, and all the volunteers who worked so hard to save the Arabians in Volusia County. All of the horses are now in new homes.
